

## **Grandmaster Remy A. Presas**

Grandmaster Remy A. Presas is the founder of Modern Arnis. He was a master innovator who revolutionized the martial arts by blending the best elements of Filipino Jujitsu, Karate, Stick and Knife fighting into a versatile and effective martial arts system. Known as the "Professor", Grandmaster Presas has shared his unique knowledge by conducting thousands of seminars world-wide. Prior to his death in 2001, Grandmaster Presas named Jeffrey Delaney as his successor and inheritor of his art, Modern Arnis. Mr. Delaney welcomes martial artists of all styles and skill levels as well as students with no martial arts experience. Modern Arnis stands alone as a complete fighting system, yet its techniques enhance the effectiveness of any art.
